Quiet back lanes and gardens of Kent

From £1,649* Per Person

Chilton Park

Chatham Dockyard

Kentish oast house

Enjoy the quiet back lanes of South East England, with highlights such as Chatham Dockyard, Whitstable Oysters, Chapel Down Winery and Leeds Castle to name a few. Often overlooked, we think four nights touring in the 'Garden of England' in a classic car, in summer, is hard to beat. Think Darling Buds of May and Oast Houses, what could be better than trundling along the country lanes with fellow enthusiasts.

Tour Itinerary**Wednesday 1st September**

Arrive at the four-star Chilton Park Hotel, an historic 17th-century manor house set in the Kent countryside. After welcome drinks and a tour briefing, enjoy a relaxed BBQ and meet your fellow travellers.

Thursday 2nd September

Following breakfast, drive to Chatham Dockyard for a visit and refreshments. In the afternoon, enjoy a scenic route via the Isle of Sheppey before returning to the hotel for a three-course dinner with wine pairing in the hotel's 2 AA Rosette restaurant.

Friday 3rd September

Travel along the North Kent coast to Whitstable for coffee and a guided oyster farm tour, followed by free time for lunch. Continue to Leeds Castle for a guided visit before returning to the hotel for a 'garden to plate' themed dinner.

Saturday 4th September

Head to the South Kent coast, stopping for coffee en route, before spending free time in the historic town of Rye for lunch. Later, visit Chapel Down Winery for a tour and tasting, followed by a farewell champagne reception and dinner.
